Parade, Feast, Music To Mark Armistice Day In Nevada City

The Veterans of Foreign Wars are preparing for a big Armistice Day celebration to be held in Nevada City next Saturday.

There will be a great parade of school children, veterans, patriotic associations and probably large delegations from the C. C. C. camps.

In the evening from 5 o'clock until 8 o'clock dinner will be served in the Odd Fellows hall.

The evening program will open at 8 o'clock with a benediction from the Rev. Charles Washburn. The high school band in purple and gold uniforms will play the "Star Spangled Banner." A speaker, yet to be named, will deliver a ten-minute patriotic oration. Mrs. Katherine Celio, accompanied on the piano, by her daughter Miss Katherine Celio, a student in the University of California, will sing a group of songs.

Mrs. Grace Raymond, wife of the recently elected quartermaster of the local V. F. W. post, will render selections upon the piano. E. W. McEwan, well known banjoist, will play at intervals during the evening. L. T. Carpenter, magician, will entertain with a number of feats in legerdemain.

Mrs. Lyda Talbot will be asked to present some of her pupils in dancing numbers. Dr. Frank McCollough will make a brief address. One of the Army officers in charge of neighboring C. C. C. camps will be asked to speak on a topic yet to be selected.

In the rooms of the hall adjoining the auditorium, card games will be available to those who prefer this pastime to the program of songs, oratory and magical presentations.

The proceeds of the evening will be devoted to the V. F. W. post and it is hoped to realize enough to purchase a stand of colors and something over for the general fund. Admission will be 50 cents.

U. C. PROF. FEARS OVERPLANTING OF WINE GRAPES

BERKELEY, Nov. 6—While admitting that there is no means of accurately fortelling the demand for wine and brandy after the repeal of prohibition, Dr. S. W. Shear of the University of California says it is probable it will be no greater than before prohibition. The information now available, says, Dr. Shear, associate agricultural economist on the Giannini Foundation of the College of Agriculture, indicates that any general increase in grape planting now is of questionable wisdom.

Reports show, he says, that by the end of this season there will be about fifty million gallons of wine on hand in California, of which 25 or 30 millions will be of this year's vintage. This may not be sufficient to meet the immediate demands for aged wines, and hence he believes that wine grape prices may be higher than normal until supplies of aged wines are sufficient to meet ordinary demands.

Legalization of beer, which gave it a "running start," the reduction of immigration from southern Europe, and the competition of distilled liquors, he gives as some reasons why wine demand may not exceed pre-prohibition consumption of six-tenths of a gallon per capita.

Hence, Dr. Shear believes that if there is general planting of wine grapes, while prices may be good for two or three years, by the time newly planted vines come into bearing, there will be a surplus. A limited planting of some varieties for dry white wines, he thinks is the only safe venture, but he points out that such grapes before the War were less than 15 per cent of the total wine grape acreage in the state.

WOMAN GOLD PANNER AIDED BY RED CROSS

A pitiful case came to the attention of the Chief of Police Robson when Mrs. Bessie Patton, a woman of middle age, applied for food and lodging last evening. She had been panning for gold on Deer Creek below Nevada City and the storms put an end to the meager living she was making.

She wanted to go to Colfax and the local Red Cross provided a way for her to reach her destination this forenoon.

DUDLEY STORE AT BLOOMFIELD IS BURGLARIZED

The grocery store of E. B. Dudley, county supervisor, at North Bloomfield, was robbed last evening, apparently by very hungry bandits. Among their takings were 52 pounds of coffee, over 50 pounds of hams and bacon, and the entire stock, amounting to about $10 in value, of cigarettes.

Neighbors next door heard the burglars, splintering the back door about eleven at night, but as the noise ceased, thought no more about it. The burglars attempted to break in the front door but failing there were able to pry off the boards of the solidly bolted rear doors and make their entrance. They robbed the till of the grocery store and it is believed, obtained about $2.50 in change. Their total "takings" are estimated at $50 in value.

The Bloomfield postoffice is in the same building, while it is believed the burglars took some small change from the cash drawer there the amount is not known. Neither the safe in the postoffice nor in the store was molested. The burglars left two empty boxes, which apparently they intended to fill. It is thought something scared them away.

Sheriff George Carter and Deputy Bill Richard, examined the scene of the robbery this morning and were able to obtain finger prints left by the robbers after they had made a good meal of cold victuals, among other things, a chocolate cake.

BANK OF AMERICA BUYS PLACERVILLE NATIONAL

Placerville National Bank will become a part of the Bank of America organization effective Saturday November 4, it was announced today by Will F. Morrish, President of the statewide branch banking institution.

Members of the staff of the Placerville National Bank will join the personnel of the existing branch of the Bank of America at Placerville on Monday, Rolan T. Irish, who has been Cashier of the local Placerville institution, has been appointed an Assistant Manager of the Bank of America Placerville Branch, which is in charge of Guy E. Wentworth, Vice President and Manager. All members of the local bank's Board of Directors will become members of the Bank of America's Placerville Advisory Board.

Control of the Placerville National Bank, which was founded in 1926, has been held for some time by Transamerica Corporation, which owns the Bank of America.

FIRE DEPARTMENT PUTS OUT BLAZE IN ROOF

Both of Nevada City's fire trucks responded to a fire alarm turned in shortly after noon from the corner of Clark and Pine streets near where a fire was burning in the roof of the house occupied by Mr. and Mrs. Ed Bonner, the former home of Cora Wadsworth.

The Nevada city fire department soon had the fire under control with damage confined to a hole burned along the ridge of the house. The roof was damp from the recent storm and burned slowly probably preventing a much more serious fire.

Mr. and Mrs. C. E. Tegler visited in Nevada City last Thursday. They have gone to Forest Grove, Oregon to live with her mother, Mrs. J. Hamer.

Try 'Drake Heir' In Swindle

Here is Oscar Merrill Hartzell, one-time Iowa farmer who has been brought to trial in Sioux City, Ia., on charges of conducting a million-dollar swindle in connection with a campaign he organized to recover the $5,000,000,000 estate of Sir Francis Drake for his "heirs" in the United States. Hartzell has claimed to be a direct descendant of Drake.

GOOD ORE FOUND IN HUSSEY MINE

West Mines Corporation are now developing the Hussey mine in the Willow Valley district, on the 150 foot level. The drift is showing excellent promise. Some of the ore taken from the drifting operations is being tested. Results obtained by the flotation process at the Queen Lil mill have been very satisfactory.

Preparations are being made to sink the Hussey shaft to greater depths and necessary work to that end is now being performed.

At present six men are employed at the property with Thomas Coan in charge of the work.

Operations at the Canada Hill mine are temporarily held on the basis of pumping to keep the mine unwatered for an active campaign of development, to prove the mine, in the near future.

YAWN, DISLOCATES JAW, DELUGE OF LETTERS

CAMPTONVILLE, Nov. 5—Miss Lydia O. Groves, local postmaster and telephone operator, perhaps received more nationwide notariety in a short time ago by painfully locking her jaws open as she yawned, than any other person for a long time, and the first time that the town appeared on the front page of large newspapers since the total eclipse of the sun a few years ago.

Miss Groves has had letters from all parts of the country relative to this; her misfortune was even broadcast over the radio. Yesterday she received a letter from a man in Canada who read an account of it in a Canadian paper, this man being George Campton, who wanted to know of the postmaster, if the town was named after a man by that name. Miss Groes replied in the affirmative, the town was named because a man by the name of Campton first set up camp here, and a few years ago his son, Frank Campton returned here for a visit.

Another person in Connecticut wrote her, asking her if she was related to a Groves family he knew here years ago. It is keeping Miss Groves busy replying to the many letters she has and is receiving.

MILES COUGHLAN CHOSEN HEAD OF SKI CLUB

Miles Coughlan was chosen president of the Nevada City-Grass Valley Ski Club at the meeting last Friday evening in the chamber of commerce. George Carter was chosen treasurer and W. H. Griffith secretary. Plans were outlined for the resumption of the winter sports program at the Ski club grounds nine miles east of Nevada City on the Tahoe-Ukiah highway.

Dick Martin and Miss Sullivan of Sacramento visited with Mr. and Mrs. Robert Ewing Sunday.

FIRE DEPT. BUYS HISTORIC HALL

Armory hall, from which marched the "boys in blue" to maintain the Union during the Civil War, the volunteers who went overseas to fight for the freedom of Cuba in the Spanish War, and enforce respect for the United States Navy, the khaki clad lads who fought to make the world safe for Democracy in 1917, will be preserved with all its splendid traditions.

The fire department has taken over Armory hall, thereby saving it from being torn down, and its site used for an apartment house. This action was taken at a meeting of the fire department members Friday evening. From the Houston Equipment fund it was voted to take $500 and make the initial payment to the owners who have agreed to sell the hall at a low price to be paid in installments over a term of years.

SOPHOMORES ENTERTAIN AT HIGH PEP RALLY

By The CUB REPORTER

The high school student body and faculty on Friday morning was treated to a lively program furnished by the sophomore class.

Before the program, a short business meeting was held, at which Audrey Davis, the unapposed candidate for student body vice president, was elected. Mr. Kjorlie made several announcements. A brief pep rally in anticipation of the game Friday afternoon with San Juan was provided by Bill Kirkham and Ray Wilde.

The first number of the sophomore program was a melodramatic playlet in verse called "The Diamond Necklace." The characters were:

Bill Polkinghorn—Calkins the Butler.

Cecilia Woods—Coquetto the maid.

Reggy Blighter,—Scion of the rich Don Budi Blighters.

Mr. Blighter—Winton Whitley.

Mrs. Blighter—Elizabeth Vaught.

Miss Vere de Vere—Marjory Masterson.

The theme of this play was the competition among the male members of the cast to kiss Coquette.

Paul Hansen next entertained with a vocal solo, "Song of the Dawn."

The sophomores, as their final contribution presented a skit with a written dialogue. It was most appropriately called, "Save the Surface, and You Save All."

Those who took part in it were Pete Orzalie, Katherine Glennon, P. Rozzniske, Dorothy Truscott, Flossie Angove, Don Jones, Eleanore Willoughby and Bob Small. It was one long riot of laughter, climaxed as "Tarzan Orzalie embraced Katherine Glennon, only to be removed and succeeded by Don Jones.

The crowded period of amusement was concluded with an act performed by a police dog, Prince. The dog, after performing several minor stunts, jumped upon a small broomstick, held horizontally and balanced himself perfectly on his hind feet.

CAMPTONVILLE MAN TO GATHER RED CROSS FUND

CAMPTONVILLE, Nov. 5—Acton M. Cleveland has been named by J. U. Pearson of Marysville, to solicit and take subscriptions for the annual Red Cross Roll Call in this vicinity this year, and the list is now open at the Meek Mercantile Company store.

Yuba county should feel very responsive to the Red Cross call; last year less than $1,000 was contributed to the chapter whereas around $8,000 worth of charity work has been spread in Yuba county. A considerable sum in flour and clothing has been distributed locally through the efforts of the Red Cross and the United States Government. The annual membership fee is only $1.00, and it is hoped that those able to, will do their part in maintaining this human benefactor.

FOOT SLIPS—TRUCK HITS TRUCK

Bob Forbes, driving a C. C. C. camp truck from Blomofield, Friday evening pulled in behind a truck which was being repaired by its owner, Omar Tonella, in order to let a car pass. As he pressed the break to stop, his foot slipped and his truck hit the rear of the truck in front, smashing his lights. The accident happened in East Broad street almost in front of Garfield Robson's home.

OLD BONES ADDED TO NEVADA CO. PRODUCTS

Nevada City noted for it's gold production, will shortly be famous for another product, namely, old bones, very old bones.

While in the electrical shop of Edd Addington on Broad street, this week admiring several pieces of petrified wood a Nugget reporter found some fine specimens of petrified bones, which seem to have been of the lizard family. A guess is hazarded that they are the bones and a few pieces of the petrified hide of a dinosaur.

Mr. Addington and a friend while on a picnic at Chalk Bluff ridge east of Nevada City found the bones and brought them home on account of their oddity.

Charles Fitch, nephew of Mrs. Addington, who is a student of geology at the University of California, requested the bones be shipped to the University for study. They will be shipped this week. A report is to be made on the specimens when the study has been completed.

RAPID PROGRESS ON LAVA CAP

The dry house at the Lava Cap mine near Banner Mountain was burned to the ground at about 2:30 o'clock Tuesday morning. Eighteen men, who were employed on the night shift lost their change clothes. It is thought the clothes were hung too close to the heater and caught fire spreading to the wood work. The building was a 20 by 20 foot well built structure which was recently erected for the men.

The Lava Cap mine company has been making rapid strides in the reconditioning of this property. A recently constructed hoist and compressor are in operation and crews are working on three levels.

The Central shaft has been sunk to the 880 foot level and progress is being made at the rate of five feet a day.

The Banner shaft is dewatered to the 600 foot level.

The Lava Cap mine has two shifts of men employed.

CALPINE HOTEL GUESTS HAVE CLOSE CALL

Mr. and Mrs. V. C. Shattuck, who reside in Truckee are visiting over this week end in Nevada City with her parents, Mr. and Mrs. W. V. Tamblyn.

Mr. and Mrs. Shattuck conduct a moving picture theatre in Truckee, Loyalton, Calpine, and Downieville.

In a recent trip they spent a night at Calpine when they were awakened at about 2.30 in the morning when someone discovered the hotel in a mass of flames. Mr. Shattuck's father a man of 70 years from San Jose made the trip with them and when he went to look for his father it was found he had climbed out of a window and slipped down a pole escaping injury. One man was burned to death and another badly burned, while many lost clothing. Mrs. Shattuck said many guests hung to window ledges until they were rescued.

Mr. Shattuck saved their car but Mrs. Shattuck lost a pair of glasses.

BRUSH PILES BURNED NEAR CAMPTONVILLE

CAMPTONVILLE, Nov. 5—District Ranger Frank W. Meggers, of the Camptonville Headquarters of the Forest Service, started a few days ago with a crew of men to burn the 95 miles of brush piles, part of the unfinished work left by the C. C. C. camp at Millers Ranch.

The recent rain made it damp enough so that the burning could be carried on safely, but a strong north wind during the past two days makes the work more difficult. Forest Guard, A. H. Hamilton is assisting with the work, with a group of men in the vicinity of Mountain House and another crew along Slate Range.

Charles Leiter of the Nevada City Garage is gravely ill of a heart attack. He was taken ill last Tuesday. Twice since he has been confined to his bed at home, he has suffered a relapse. His many friends are extremely anxious regarding his condition.

EXPERT OFFERS NEW PLAN TO AID STATE DAIRYMEN

Federal Loan of $5,000,000 to Kill Off Reactors, to Be Paid Back By Tax on Butterfat, is Proposal

By RALPH H. TAYLOR

California's milk production, today, is virtually the same as it was three years ago—in volume!

But the farm value of this production dropped from $82,000,000 in 1930 to $65,000,000 in 1931—and to $52,000,000 for 1932.

Briefly told, that is the dairy farmer's problem in California, as it presents itself today. And it is one of the most serious problems confronting agriculture, especially in view of the fact that thousands of farmers depend largely on their butter fat checks for cash income.

DR. DUCKWORTH'S PLAN

Many solutions have been offered, but in most instances they have been found wanting. For example, at the recent Western Regional Dairy Conference in Oakland, there was suggested a method of controlled-feeding of cows to reduce their production. Still another suggestion was an arbitrary reduction of animals on every farm through slaughter.

The most practicable and feasible solution, which will shortly be presented to the federal government for consideration, comes from Dr. C. U. Duckworth, assistant director of the State Department of Agriculture and chief of the Division of Animal Industry.

Dr. Duckworth's proposal calls for the reduction of dairy animals through tuberculin testing and destruction of reactors—a two-fold plan of cutting production, and thereby increasing net return, and at the same time eradicating bovine tuberculosis.

FEATURES OF PLAN

Here are the highlights of the Duckworth plan:

Request that the Secretary of Agriculture, under the board of powers vested in him by the Agricultural Adjustment Act, appropriate the sum of $5,000,000 for the elimination of tuberculous animals in California.

2. A quick test of all dairy animals in the State, made possible by working with the veterinary profession throughotu the State, designed to take tuberculous animals out of production in a period roughly estimated at 60 days.

3. Producers losing cattle as a result of the tuberculosis eradication plan would be indemnified by the federal government, with no attempt to salvage the animals for meat purposes, and at no cost to the State.

4. Levying by the federal government of a 2-cent per pound tax on milk fat to reimburse the government for its $5,000,000 contribution to cover indemnification. Such a tax, it is estimated, would raise approximately $3,000,000 per year—repaying the government for its advance in loss than two years.

ADVANTAGES

Such a plan—by cutting production—would increase the price of butter fat to the producer about 10 cents per pound, Dr. Duckworth estimates, thereby enabling the dairy farmer to get out of the red and make a fair profit.

At the same time, without increasing state taxes, or without imposing any unfair burden on the consumer, the program would be of great importance from a public health standpoint, as there is a recognized health menace involved in bovine tuberculosis.

Illustrating the benefit to the dairy farmer of such a program, Dr. Duckworth declares that a producer with 100 cosw, even though they were all condemned as tuberculous, would be able to purchase, with his idemnification check, 60 head of clean animals which would produce a greater net profit than his original herd.

Laurel Parlor to Welcome Grand President

Laurel Parlor, No. 6, N. D. G. W., will hold their regular meeting next Wednesday evening at which time they are to receive a visit from their Grand President, Mrs. Irma Laird, of Alturas.

A dinner is to be served at the National Hotel at 6 o'clock and will be followed by the lodge meeting.

WHAT THE RED CROSS IS DOING

A. L. Schafer, Red Cross manager in the Pacific Area, advices officers of the local Red Cross chapter, who are preparing for the annual Roll Call, November 11-30, that the Red Cross has expended $1,468,241 for unemployment and disaster relief and for regular services in Alaska, Arizona, California, Idaho, Nevada, Oregon, Utah and Washington during the past year.

In picturing the magnitude of the Red Cross accomplishments throughout the nation, Mr. Schafer points out that the National Red Cross during the year expended for all services, $4,041,000. At the same time the 3,700 chapters put out an additional $7,500,000 to meet the needs of local communities, bringing the total Red Cross expenditure close to $12,000,000.

Distribution of flour and clothing for families in distress continues to engage the attention of many Red Cross chapters in th eseveral states.

In this connection Mr. Schafer says that 5,420,767 sacks of flour, each being 24-1-2 pound size, have been distributed to chapters in the Pacific Area, benefiting 485,839 families.

During the same period 7,027,322 yards of cotton materials, 3,073,904 ready-made garments and 142,800 blankets and comforters were issued to chapters for needy families.

While the Red Cross was accomplishing these things in the Pacific States, other units were busy throughout the nation reaching more than 25,000,000 persons with 10,688,307 barrels of flour and 90,000,000 articles of clothing.

WEEKLY COMMENT

By CHRISTIAN ANDERSEN

Why are even business houses in this country so very slow in answering letters? That condition was not noticed in former years. There was a certain pride in answering letters promptly, and that seemed a business virtue.

I cannot find the word SQUIZZLE in my dictionary and perhaps you won't find it in yours. I don't know that there is such a word. But to squizzle you simply take a sheet of white paper, write your name in ink, heavy, fold the paper over onto the written portion. The resulting splotch is a squizzle and you have been squizzling. If you still don't understand how to squizzle, come on over to the house and I will show you. Bring your own lunch and a sandwich for me.

Nearly all music is pleasant to me, even an occasional Jazz piece is not objectionable if it is well done. When there is a musical in close quarters, say, for instance, at my home I cannot, try as I will, keep from smiling. In trying to suppress the grin my face takes on the grimace of the proverbial Chesshire cat. If you know of some remedy for such a deplorable condition please tell my family doctor about it.

As predicted in this column four months ago, Hearst has begun his attack on the administration and its policies. This time he is especially vitriolic in his tirade against the N. R. A. It is my private opinion that all the skeleton rattling Hearst can do will not stampede the American people away from the President and his policies. There may be slight regional defections, but in the main F. D. R. has a hold on the hearts of the American people so strong that no yellow journalism can break it. Hearst is shaking the moldy socialist skeleton this time, the red menace having worn itself out as a scarecrow. Hearst reminds one of the wolf story, no one pays much attention to his call of, wolf, wolf. In fact we now have a merry song about the "big bad wolf."

Rev. and Mrs. H. H. Buckner left today for Roseville where they are attending the November Conference of the Placer-Nevada Ministerial Association. Rev. A. L. Pratt, of the Methodist church of Grass Valley, took the leading part in the meeting.

Mrs. A. H. Tickell was called to Sacramento on account of the death and burial of her sister, Mrs. Addie M. Tuttle.

RED CROSS RELIEF AIDS DISTRESSED IN 120 DISASTERS

Help Given in Fires, Floods, Earthquake and Epidemics Part of Year's Task

The American Red Cross has reached into the homes of six million families in the past year with unemployment and disaster relief, Chairman John Barto Payne announced.

"As the year closed the organization continued in readiness to serve in the forthcoming winter at the point of greatest need and to adjust its service to meet the calls of the emergency of unemployment and disaster," Chairman Payne stated.

In a year of greatest economic distress in the nation's history, in which the Red Cross ably discharged a relief task in distributing flour and clothing to distressed families in all but six of the nation's 3,098 counties, the organization also was called into action in 120 disasters, of which 96 were within the borders of the United States.

Earthquake, floods, hurricanes, fires and other cataclysms visited death and destruction upon the lives and homes of thousands of people. Red Cross statistics showed that in the 120 disasters almost a thousand lives were lost, 148,340 homes were destroyed or damaged, 13,275 persons were injured, and Red Cross relief was given to 452,879 individuals.

In giving aid in these disasters, in its unemployment relief and in handling the distribution of government wheat and cotton, the Red Cross expended from its national treasury the sum of $1,070,284.

During one period of twelve weeks, 46 disasters occurred in 23 states. Red Cross disaster workers were hard pressed in meeting all of these needs occurring at once, but everywhere misery was promptly relieved.

Support of the Red Cross work is through its annual roll call, conducted by chapters in the period from Armistice Day to Thanksgiving Day, November 11 to November 30. Every citizen who joins the Red Cross as a member aids in carrying relief to disaster victims and in other Red Cross services, such as preservation of life, child welfare through the Junior Red Cross, and direct service for the public health.

HAVE WE KEPT FAITH?

Oh, nations clothed in power and pride,
Have you kept faith with those who died?

Darkness enshrouds the jungle,
Concealing remorseless shapes,
And there in the murky shadows,
Burn the eyes of primordial apes.
And the demons of Hate and Suspicion
That hide from the light of the sun,
Meet in the foul miasma
Of the jungle when day is done.
They spawn in slimy morasses,
They feed upon fulsome growths,
They worship an ancient fetish
And pledge it with horrible oaths.
Grim cohorts of Superstition,
They are lusting to blight and to kill,
In valleys of desolation
Of blood would they drink their fill.

But we are afar from the jungle,
Nothing have we to fear;
We cherish our fond illusions
And boast that our skies are clear.
So speak not, we pray, of the jungle
With it's grisley, menacing shapes;
We the secure and complacent
Have nothing to do with apes.

Darkness enfolds the jungle,
Concealing remorseless shapes,
And there in the fetid shadows
Burn the red, red eyes of the apes.
And the night winds moan and whimper
In infinite, shuddering pain;
For the ravening beasts of the jungle
Are plotting war—again!

America, whate'er betide
Keep faith, keep faith with those who died.

A Merriam Conner.

FRENCH CORRAL

(By Mrs. Kate M. Sulivan)

FRENCH CORRAL, Nov. 2nd—The splendid rain of the past week has brought joy to our hearts. Already the blessed grass is making some headway and carpeting the land with green and this along with the beautiful tints of autumn, make a most entrancing picture—However the land received such a thoraugh baking during the long dry spell, that it will need another good rain to put it in shape for the coming of the plowman

Hallowe'en passed quietly and no offending tricks were played by our young folks. We never have such trouble in this part of the country.

W. E. Moulton made a business trip to Sacramento Wednesday. He was accompanied by Mrs. E. A. May, and Mr. Baker.

Mr. and Mrs. Roland had business in Sacramento during the week.

Mr. and Mrs. James Fogarty with Doctor Saben and their son Willie who recently returend from Wyoming, spent several days visiting with relatives and friends.

Mr. Fogarty has for many years been a trusted employee of the P. G. and E. and made his home below, where he is in charge of some of the company's work. This is his first visit to the San Juan Ridge, which is his old home place, in the last 13 years. His wife and son are also natives of the Ridge." They returned to their home below last Saturday.

Elmore Haslett and Eddie Jarvis had business in Nevada City last Monday.

Miss Francis Moulton spent the week-end with her parents in this section.

Doctor A. J. Powell, of Oakland, is again sojourning in French Corral. His many friends are happy to see him back again and looking well, after the long years of service he has endured.

Mrs. A. Browning went to San Juan Sunday to see her friend Miss Millie Clerkin who has returned to that place. All are happy to hear that Miss Clerkin is improving from hert recent illness and is able to be around again. She is staying with her friend, Miss Maggie Lohman.

Clarence Graham has returned to French Corral after an absence of several months. Mr. Graham is one of the latest residents who enjoys living in our delightful section.

Mr. Frank Nichols, who has been a resident much of the time for the past two years, returned the first of the week and will spend the winter here.

Thomas Hall an old resident of the "Ridge" who has been spending some time with the family of his son, Mr. Charles Hall, who is in charge of the P. G and E plant at Folsom, is now visiting his daughter, Lillian, at his old home in Birchville. His son accompanied him on the trip.

CAMPTONVHLLE

By ACTON M. CLEVELAND

CAMPTONVILLE, Nov. 5.—Mrs. R. M. Labadie made a trip to Grass Valley Thursday on a short visit.

Mrs. Fay Clayton and son accompanied by her sister Mrs. Robert Bushfield left Friday for their home at San Francisco after spending two days visiting Mrs. Racheal M. Labadie at the Hotel Francis.

Supervisor W. J. Mellon of Challenge, was in town Friday on official business; Joe Vierra accompanied him.

John G. Ramm motored to Downieville Friday with a load of produce from his ranch at Mill Creek.

Mr. and Mrs. Earl L. Cleveland of Sacramento arrived Friday to spend the week visiting Mr. and Mrs. W. B. Meek. Miss Earlyne A. Cleveland, their grandaughter, accompanied them to spend the week end with her parents, Mr and Mrs. Acton M. Cleveland.

Dr. C. C. Sutton, popular physician of Downieville, was in this section Friday on professional business

Mrs. Virginia M. Lord, of Decoto, arrived Friday to spend the week end visiting with her parents, Mr. and Mrs. W. B. Meek.

William A. Lang motored to Sacramento Friday on a brief visit

Mrs. Jesse M. Whited, of San Francisco, arrived Friday as the week end guest at the Joubert home at Oak Valley.

Miss Dorothea Mark arrived Friday from Folsom where she attends school, to spend the week end in this section, on Saturday she took her grandmother, Mrs. M. J. Cunningham to Pike City.

Miss Maxine Tibbetts arrived Friday from Sacramento as a week end visitor at the Joubert home at Oak Valley.

Mr. and Mrs. August Poggi, of Downieville, was in town Friday on a short visit.

John Buyers passed through town on Saturdays stage enroute to Nevada City.

James L. Joubert arrived Friday evening from Sacramento to spend the week end at his home at Oak Valley.

Mrs. Constance Church made a business visit to Nevada City Friday.

NORTH COLUMBIA

By F. W. BIGELOW

NORTH COLUMBIA, Nov. 4—The wierd and fantastic spirt of Hallowe'en raised the proverbial whoopee here October 31.

On the road between North Columbia and Cherokee a car was fond down a twenty foot slope, an unidentified man soundly sleeping with a canvas for a covering. From the indications this reporter believes the one slumbering so peacefully celebrated Hallowe'en not wisely but to well.

Miss Madge Harding, teacher at Cherokee gave a Hallowe'en party for her students and their families. About 32 guests were there. Various games were played and refreshments served during the course of the evening. Grinning pumpkins were very much in evidence and this correspondent expresses heartfelt thanks to the lady that made a certain chocolate cake.

Speaking of chocolate cakes, Miss Marylin Wilson of North Columbia is an adept at the same art. Several of the miners here abouts have sampled her wares and immediately expressed tremendous approval.

The villiage philsopher comes out with this one:

The strongest oyster oft will droop
When it has made ten quarts of soup.

Mr. and Mrs. Edd Addington were called to Sutter City Friday evening on account of the serious illness of his father, Dr. D. M. Addington, who is 81 years of age. They remained for the week end and upon their departure he was feeling much better.

Mrs. A. Hartung, who is ill at the Nevada City Sanitarium, is slowly improving. Her daughter, Mrs. Gluyas Richards of Auburn is visiting her parents for a time.

LEGAL NOTICE

SUMMONS.

IN THE SUPERIOR COURT OF the State of California, in and for the City and County of San Francisco.

MARIE KAEHLER, also known as MARIE HAUB, a widow, Plaintiff, vs. MATHILDE M. DEISZ, a widow, H. W. CLIFFORD, FLORENCE MORGAN TUTTLE, HARRY E. JAMES, HATTIE E. LUEBEN, COLIN CAMPBELL THOMSON, MASON S. THOMPSON, MARIA HAUB, MARY SIRARD, PHILOMINE McCARTHY, FRANK GAUTHIER, ELIZA GAUTHIER, EMPRESS EXTENSION MINES CORPORATION, a Nevada Corporation, GOLDEN GATE CONSOLIDATED MINING COMPANY, an Arizona Corporation, GRASS VALLEY EXTENSION MINES CO., a California Corporation, and also all persons unknown who have or claim any interest in, or lien upon, the real property herein described, Defendants.—No. 244837.

Action brought in the Superior Court of the State of California, in and for the City and County of San Francisco, and the complaint filed in the office of the Clerk of said City and County.

M. D. L. FULLER, Attorney for Plaintiff.

The People of the State of California send greeting to Mathilde M. Deisz, a widow, H. W. Clifford, Florence Morgan Tuttle, Harry E. James, Hattie E. Lueben, Colin Campbell Thomson, Mason S. Thompson, Maria Haub, Mary Sirard, Philomine McCarthy, Frank Gauthier, Eliza Gauthier, Empress Extension Mines Corporation, a Nevada corporation, Golden Gate Consolidated Mining Company, an Arizona corporation, Grass Valley Extension Mines Co., a California corporation, and also all persons unknown who have or claim any interest in, or lien upon, the real property herein described, defendants:

You are hereby notified that an action has been commenced against you in the above entitled Court, by the above named plaintiff, for the purpose of partitioning that certain real property situate, lying and being in the City and County of San Francisco and in the County of Nevada, State of California, described as follows:

All that land situated in the City and County of San Francisco, State of California, more particularly described as follows, to-wit:

PARCEL NO. 1: Commencing at a point on the easterly line of Nineteenth avenue, one hundred (100) feet northerly from the intersection of the said easterly line with the northerly line of Kirkham street; running thence northerly along said easterly line of Nineteenth avenue seventy-five (75) feet; thence at a right angle easterly one hundred and twenty (120) feet; thence at a right angle southerly seventy-five (75) feet; thence at a right angle westerly to the point of commencement.

Being a portion of Outside Land Block Number Seven Hundred and Fifty-one (751).

All that land situated in the County of Nevada, State of California, more particularly described as follows, to-wit:

PARCEL NO. 2: The southeast quarter (SE ¼) of Section Seventeen (17), the southwest quarter (SW ¼) of the southwest quarter (SW ¼) of the southwest quarter (SW ¼) of Section Sixteen (16), and the north half (N ½) of the north half (N ½) of the northeast quarter (NE ¼) of the northeast quarter (NE ¼) of Section Twenty (20), all in Township Sixteen (16) North, Range Eight (8) East, M. D. B. & M.

PARCEL NO. 3: The Christopher Columbus Consolidated Quartz Mine and the Golden Gate Mine, located in Sections Twenty-five (25) and Twenty-six (26) of Township Sixteen (16) North, Range Eight (8) East, M. D. B. & M.

And you are hereby directed to appear and answer the amended complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the City and County of San Francisco, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that, unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Given under my hand and the seal of this Superior Court, at the City and County of San Francisco, State of California, this 15th day of August, 1933.

(Seal) H. I. MULCREVY, Clerk.
By J. M. CUMMINS, Deputy Clerk.

RESIGNS SCHOL FOR HOME

Mrs. Edd Addington resigned her school at Gold Run, Placer county, and has moved to Nevada City to reside in an apartment of her old home, "the Castle."

Mr. and Mrs. Addington have resided in Gold Run for several years where she was loved as a teacher and Mr. Addington followed different occupations. Within the last few months he has opened the Nevada City Electrical Works and Repair Shop and business has been so good that he decided to have his wife resign. Nevada City always welcomes the return of her former residents.

SOCIAL EVENTS

Grand Officers Visit Champion Circle

Champion Circle No. 325, Neighbors of Woodcraft, had a large attendance Thursday evening at the Odd Fellows hall, where they enjoyed the visits of grand and district officers and elected officers for the coming year.

A drill team of 16 members from Golden Circle, Sacramento, dressed in gowns of pastel shades, put on the floor work in a most pleasing manner.

In the election of officers the following were chosen for the coming term:

Guardian Neighbor, Nanice Sheidick; Past Guardian Neighbor, Marguerite Clarke; Advisor, Neva Pianezzi; Magician, Agnes Worthley; Attendant, Cordelia Dalton; Capt. of the Guard, Bessie Andrews; Flag Bearer, Isabel Brown; Musician, C. Phillips; Clerk, Jane Baker; Banker, Theresa McCloud; Inner Sentinel, B. Ponticelli; Outside Sentinel, Mildred Tibiassen; Managers, Della Walsh, N. James, Cassie Flyn; Correspondent, Martha Dillon. Installation of officers will take place the first meeting in January with Adeline O'Connor as installing officer.

After presentation of the grand and district officers a number of short and interesting speeches were made.

A fine banquet was served to 90 members and guests by Mr. and Mrs. C. D. Wyant of Schreiber's Cafe

Ladies' Aid Society To Meet Wednesday

Circles Number One and Number Two of the Ladies' Aid Society of the Methodist church will hold their regular business meeting next Wednesday.

Mesdames Gibson and Robinson are presidents of the Circles.

Odd Fellows to Initiate Two Candidates

Oustamah Lodge of Odd Fellows, of Nevada City are to hold their regular meeting Tuesday, November 7 at which time a candidate of Nevada City and one from Grass Valley are to be initiated. A short social time is to be enjoyed after the meeting.

Mr. and Mrs. Cartoscelli Celebrate Silver Wedding

Mr. and Mrs. Cartoscelli on Saturday evening celebrated their silver wedding aniversary in the home in this city. A large group of friends and relatives enjoyed their hospitality and wished them many happy returns of the day. The couple were married twenty-five years ago in Italy and spent their honeymoon on the Atlantic and a trip across the continent to California.

Louis Nouneman and Attorney Peter tum Suden of San Francisco were recent overnight visitors at the National hotel. They visited the Delhi mine of which Nouneman is part owner, to inspect repair work on the flumes.

Legion Auxiliary Initiates Seven Members

The American Legion Auxiliary recently initiated seven new members. A Hallowe'en party was held and refreshments seryed which were greatly enjoyed. Members are planning active participation in Armistice Day celebration with a banquet for the Auxiliary at Grass Valley Cafe. All are asked to make reservations. They may phone Grass Valley 396, 196 or 125 W. Membership Areial Pick-up will be November 12 at 1 o'clock. Membership dues are coming in fine but more must be paid to "go over the top" and gain a citation again as was done last year. American Legion Glee Club practice is held Tuesday at 2 p. m. and Thursday at 2:15 p. m. Drill Team practice, Thursday 1:30.

Evangeline Chapter To Elect Officers

Evangeline chapter, No. 9, O. E. S., are to hold an election of officers tomorrow, Tuesday evening in the Masonic hall.

It is expected there will be a splendid attendance of members.

Worthy Matron, Mrs. Mary German has been an efficient and gracious officer, who has conducted the chapter through a harmonious and happy year with a number of outstanding social events.

Woman's Civic Club To Give Card Party

The Womans' Civic club is giving a card party Thursday afternoon, November 9, at the Brand Studio.

Different members are to invite guests to fill a table at cards.

Contract and auction bridge and mah jongg are to be played and prizes awarded for high scores.

LOS ANGELES LADS ARRIVE AT C. C. C. CAMP

A large consignment of Los Angeles boys arrived Saturday at the C. C. C. camp just below Grass Valley on the Marysville road. This is a barracks camp recently completed for the winter work of the C. C. C. on Ponderosa Way, a huge fire break which is being built through the foot hills of the Sierra Nevada mountains along the zone where the stands of yellow pine begin.

LOCAL HAPPENINGS

Traffic Officer W. C. Fouyer returned from Merced county Saturday night. He was called there with other officers to assist in keeping peace between farmers and cotton strikers.

Rev. and Mrs. H. H. Buckner returned Friday from attending a course of lectures at the College of the Pacific in Stockton, and a short visit in Oakland with relatives.

Mr. and Mrs. Russel Farley of Sacramento were recent visitors at the home of Mr. and Mrs. R. M. Ewing up on the Tahoe-Ukiah highway

Bert C. Austin, mining man of San Francisco, is visiting for a time with his mother, County Superintendent Mrs. Ella M. Austin. He is interested in the Oriental mine in Alleghany.

Miss Minnie Brand has returned from a week end in Sacramento with her sister, Mrs. R. Gaylord and family.

NOISE ELIMINATOR DOUBLES RADIO VALUE

One of our satisfied customers had us install our noise eliminating antennae system two weeks ago. He declares it more than doubles the value of his radio set. Last Saturday when a noise in the air prevented his neighbors from hearing the play by play stores of the games, so that they were finally obliged to turn them off, this man and his family heard every detail of the story with crystal clearness and never even knew there was a noise on the air.

One by one radio owners are intalling this remarkable device, which makes listeners to the radio a pleasure, instead of an anxious trying experiment, as it often is.

Come into our shop, 206 Mill St., Grass Valley, let us give you a demonstration of our Eliminator. You will enjo yit.—Adv.

CALIFORNIA OAK USED IN FLOORS OF NEW HOME

Mr. Reed, formerly with Burton and Reed, has built a beautiful home for himself in Grass Valley using native California oak for the floors.

The logs were cut in the Scotts Flat section, east of Nevada City. Timbers 4x8 were resawed and slashed along the grain and laid in the reception, living and dining rooms. The heavy grained oak took a good polish and made a far more attractive flooring than the imported oak.

Mr. and Mrs. Harold McCrae of Sacramento spent last week end in Nevada City with her parents, Mr. and Mrs. Fred Tredennick.

FIRE DESTROYS WAREHOUSE

The warehouse of T. M. Lawrence on the Tahoe-Ukiah highway east of Nevada City was destroyed Saturday night by fire. A large quantity of materials to be used in a garage and body works which he is building, were lost in the blaze. The Nevada City fire department responded to the alarm, but the fire had gained too much headway for its efforts to be effective.
